

FULFILLING THE MISSION

BUILDING SCHUYLKILL BANKS

SRDC, the City of Philadelphia, and the John Bartram Association were thrilled to dedicate the Bartram's Mile in April. Work is underway on the South to Christian segment, which will be dedicated in Spring 2018. SRDC is also working with the City and Commonwealth to begin constructing the Schuylkill Crossing at Grays Ferry and continue plans for the Bartram's to Passyunk and Christian to Crescent segments, bringing us closer to completing the vision of installing a trail and greenway along the entire tidal Schuylkill.

ENERGIZING THE RIVERFRONT

SRDC continued to work with partners to host the annual Philly Fun Fishing Fest, the Walnut 2 Walnut regatta, and SRDC's movie nights, kayak tours, and riverboat tours. We also partnered with the Fairmount Park Conservancy on a second year of Parks on Tap. Thousands of people came down to the Banks to participate in these events, continuing to activate the tidal Schuylkill riverfront. This is in addition to the thousands of people who regularly use Schuylkill Banks for recreation and commuting.

MAINTAINING THE GREENWAY

SRDC had another successful year of working with the City and volunteers to maintain the trail in 2017. In addition to our regular volunteer team, 567 people assisted with cleanup efforts over the course of the season. SRDC is grateful to all of these volunteers, who helped with a wide variety of tasks, including picking up litter, mulching and spreading gravel, weeding and planting, painting, and raking. SRDC also worked with the City to install new security cameras on the trail between Locust Street and MLK Boulevard this fall.
