

# SCHUYLKILL RIVER DEVELOPMENT CORPORATION 2019 ANNUAL REPORT

## FULFILLING OUR MISSION

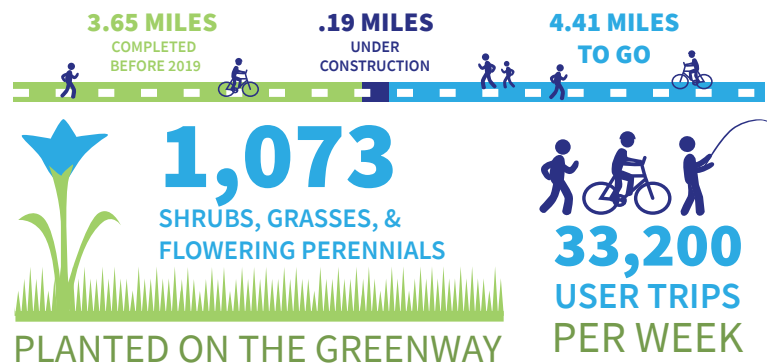

### ENERGIZING THE RIVERFRONT

SRDC continued to work with partners to host the annual Philly Fun Fishing Fest, the Walnut 2 Walnut regatta, Parks on Tap, movie nights, kayak tours, and riverboat tours. We also hosted a new program - a series of free fishing events with the PA Fish & Boat Commission. In addition to the thousands who came out to participate in these events, thousands of people regularly use the Banks for recreation and commuting.

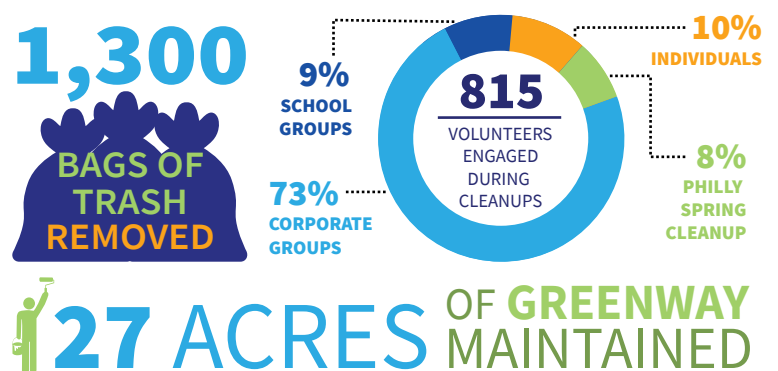

### BUILDING THE BANKS

Work is underway on the Schuylkill Crossing at Grays Ferry, which will link the Grays Ferry Crescent to Bartram's Mile. Plans continue for the Bartram's to Passyunk and Christian to Crescent segments, bringing us closer to installing a trail and greenway along the entire tidal Schuylkill.

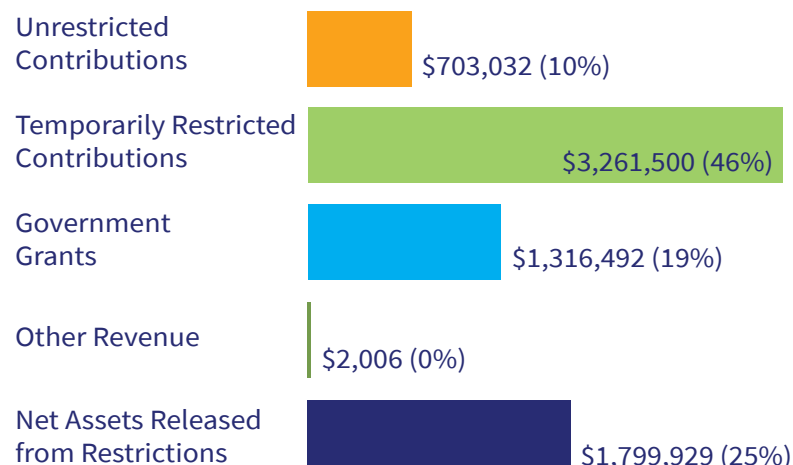

### MAINTAINING THE GREENWAY

SRDC had another successful year of working with the City and volunteers to maintain the trail. In addition to our regular volunteer team, 815 people assisted with cleanup efforts over the course of the 2018-2019 season. SRDC is grateful to all of these volunteers who helped with a wide variety of tasks, including picking up litter, mulching and spreading gravel, planting, painting, and removing invasive plant species. Work also began on repairs to the bulkhead in Center City, and batteries were replaced on the Boardwalk solar lights.
